Dear Resident

TEMPORARY CCTV CAMERA – Towyn

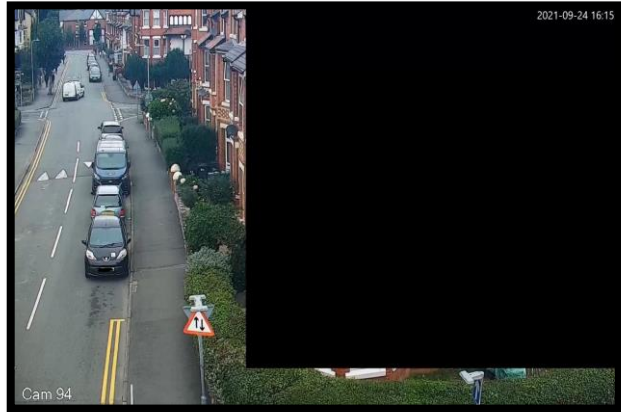

Proposed location is on main road by Tir Prince overlooking the park area.

We are writing to inform you that Conwy County Borough Council are considering the installation of a temporary Public Space CCTV Camera at a location near you as shown below;

Figure 1; Google image with proposed location

Figure 2; Actual privacy zone on a current camera view

The installation of these cameras is being funded from a 'Better Open Spaces Project' which forms part of the government's concerted action to improve local areas.

As your home falls within the area of proposed camera we are giving you the opportunity to feed in your views please. We wish to reassure you that any windows of property directly adjacent to a CCTV camera will be screened by using privacy zones (black squares as in example above) making it impossible for any operator to breach your privacy. <https://www.conwy.gov.uk/privacynotices>

If you wish to comment in response to this consultation, please contact the Conwy CCTV Manager using the contact at the top of this letter.
