

Little Mix / Bryan Adams - Getting here

It's nearly time!

We hope, like us, you're really excited to welcome Little Mix and Bryan Adams to Eirias Stadium, but we just wanted to give you a heads up not to underestimate how many people and therefore cars may end up with us on the night.

The ideal solution - if you can, leave your car at home and enjoy a summer evening stroll (sun is on order!).

If that's not possible, read on...

Public transport

We've been in touch with the local bus and train companies to let them know we're expecting large numbers through Colwyn Bay over the weekend.

All services will be running as usual, but there may be some minor delays at peak times on the road.

A free shuttle bus will also be provided for ticket holders running between Colwyn Bay Railway Station and Eirias Stadium from 2pm – 11pm.

Free Parking

Don't forget there is limited free parking on the Promenade. Obviously this is first come, first served, and it will not be manned. Arrive early and then it's just a short walk to the stadium following the signs.

Drop off / collection points

Designated drop off and collection points have been organised to make sure traffic is kept moving, but above all for individuals safety.

Please make sure you use the designated drop off and collection points for your type of vehicle to help us keep disruption to a minimum.
