

Submitting Sites for Consideration in the Revised Deposit Conwy Local Development Plan (LDP)

As of the 1st July 2010 the Council's Planning Policy Service will no longer be accepting sites for consideration in the Revised Deposit LDP. This is to allow the staff members of the Planning Policy Service (and other departments that make comments upon submitted sites, such as Highways and the Regeneration Departments) to focus on preparing the plan for public consultation, currently scheduled to take place in the autumn.

The next time that sites will be able to be submitted to the Planning Policy Service will be when the plan goes out for the aforementioned public consultation when they will be placed in the alternative sites register. For further information regarding the timetable of the LDP and detail of how sites previously submitted are being appraised, please visit the Council website: www.conwy.gov.uk/ldp
