Turn right here and walk along the lane, keeping left at the first junction. Continue past the next turning on your left. Follow the road to a 'T' junction.

2 Trowch i'r chwith ar hyd y B5106, ewch yn eich blaen nes gwelwch arwydd llwybr troed ar y dde, trowch i'r dde i fyny lôn fferm 'Farchwel'. Ewch yn eich blaen ar hyd y lôn fferm nes croeswch y bont dros yr Afon Ro.

Ar ôl y bont, ewch dros y gamfa sydd yn syth ar eich ochr dde a dilynwch y llwybr troed ar hyd glan yr afon dros dair camfa, yna i fyny canol cae at gamfa sy'n arwain i'r lôn. Trowch i'r dde, a bydd hyn yn eich arwain i bentref Pontwgan ac at gyffordd 'T' - Pwynt A.

Turn left onto the B5106, proceed to a footpath sign on the right and turn right, up the farm drive towards 'Farchwel'. Continue along the farm drive to the bridge over the Afon Ro. Immediately after the bridge cross the stile to your right and follow the path along the riverside over three stiles, then up the middle of a field to a stile onto the lane. Turn right, and this leads you to Pontwgan village and a 'T' junction -Point A.

Across the road to the right you will see a stile and a public footpath sign. Cross the stile, follow the right-hand boundary of the field and go over a second stile. Aim for the far left-hand corner of the boundary, go through a kissing gate to emerge onto the B5279. Turn right and walk along the road back to the starting point.

Y Daith Estynedig

A O Bwynt A ewch yn syth ymlaen, drwy ddwy giât, yna ewch yn eich blaen i fyny ac i'r chwith drwy fylchau mewn dau wrych. Ewch yn eich blaen i fyny'r cae a thros y gamfa yn y top. Ewch yn syth ar draws y cae nesaf i groesi dwy gamfa i'r cae canlynol lle cewch olygfeydd da o'r Carneddau.

B Cadwch at y ffens sydd ar eich ochr dde ac ewch drwy giât i'r cae nesaf. Ewch dros y gamfa sydd yn y gornel gyferbyn (mae'n anodd ei gweld!) ac ewch yn syth at giât sydd yn eich arwain lôn.

Trowch i'r dde a bydd y lôn yn eich arwain yn ôl i Ty'n-y Groes. Ewch yn syth ymlaen yn y groesffordd er mwyn dychwelyd i'r man cychwyn yn Nhal-y-Cafn.

Extended route

A From Point A go straight on, through two gates, then continue upwards and to the left through the gaps in two hedges. Continue uphill and go over a stile at the top. Head straight on across the next field to cross over two stiles into the following field where you will have stunning views of the Carneddau.

B Keep along the fence on your right and go through a gate into the next field. Cross the stile in the opposite corner of this field (you will see it as you get closer!) and head straight on to a gate which takes you onto a lane.

C Turn left and soon right, to follow a waymarked path; through a gate, left down a field, bearing left through a second gate, over marshy ground and diagonally across the field to cross over a stile, to bring you onto a lane. Turn right and the lane leads you back to Ty'n-y-Groes. Head straight on at the crossroads to return to the starting point at Tal-y-Cafn.

1 Fel rydych yn dilyn y trac i lawr i Dal y Cafn Uchaf fe welwch giât ar y chwith. O'r pwynt yma ymlaen dilynwch y cyfeirbyntiau nes cyrraedd Coed yr Arw.

Dilynwch y llwybr drwy'r coed at y gamfa ar yr ochr arall. Croeswch i'r cae o'ch blaen. Cerddwch yn syth ar draws y cae nes daw trac i'r golwg. Dilynwch hwn at y giât y gamfa wrth ymyl Eglwys Santes Fair a Kanovium, hen gaer Rhufeinig. Ewch yn eich blaen ar hyd y ffordd.

As you follow the track down to Tal y Cafn Uchaf you will see a gate on your left. Please follow the waymarkers from here to Coed yr Arw.

Follow the path through the woods to the stile on the other side. Cross into the field ahead. Walk straight across the field until a track becomes visible. Follow this to the gate and stile next to St. Mary's Church and Canovium, the site of an old Roman fort. Continue along the lane.

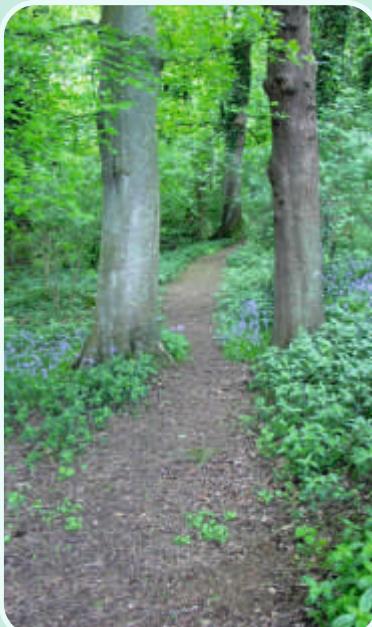

Wrth gerdded ar draws tir Tal-y-Cafn Uchaf, edrychwch ar y afon lanw i weld yr hwyaid a rhydwyr. Efallai cewch weld y crêyr glas neu'r garan, a rhoi enw arall iddo, 'yn amlwg yn nŵr y sianelau' gan aros yn amyneddgar i'w fwyd fynd heibio iddo.

As you walk over the land of Tal-Y-Cafn Uchaf take a look over this tidal section of the river. Keep an eye out for ducks and waders. You may see a grey heron known as the 'silent fishermen' patiently waiting for its food to swim by.

Eglwys y Santes Fair - Canfyddwch yr eglwys sydd â rhannau ohoni'n dyddio nôl i'r 13eg ganrif. Byddai wedi edrych yn dra gwahanol bryd hynny efo to gwellt. Allwch chi weld camfa gerrig?

St. Mary's Church - Discover a church that has parts dating back to the 13th century. It would have looked quite different then with a thatched roof. Can you find a stone stile?

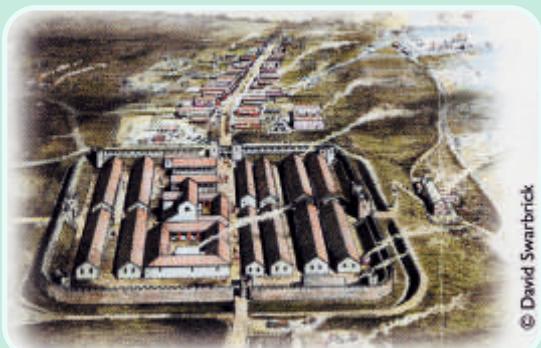

Mae Coed yr Arw yn enghraift o goetir llydan - ddail hynafol a oedd yn gorchuddio'r rhan fwyaf o Gymru. Pam ydych chi'n meddwl mai dim ond rhan fach o'r coetir hwn sy'n weddill? Torrodd y Rhufeinwyr y coed fel y byddai'n haws iddynt weld eu gelynion yn agosau a fel y datblygodd amaethyddiaeth, cafodd coed eu torri er mwyn caniatau mwy o dir pori i wartheg a defaid. Allwch chi ganfod unrhyw goed Derw neu Ynn? Beth a glywch chi?

Coed yr Arw is a remnant of the ancient broad-leaved woodland that used to cover most of Wales. Only a small area of this woodland remains. Do you know why? The Romans cut the trees down so they could see the enemy approaching and as agriculture developed trees were cut down to allow for more grazing land for sheep and cattle. Can you identify any Oak or Ash trees? What can you hear?

Roman Fort - The stile crossing from the field to the lane is on the boundary of Kanovium, a Roman fort dating from the 1st century. Why do you think the Romans had a settlement here? This meant they could guard and protect an important crossing over the Conwy river that connected the road from Chester to Caernarfon.

Caer Rufeinig - Mae'r gamfa sy'n croesi o'r cae i'r lôn ar ffiniau'r Kanovium, caer Rufeinig yn dyddio nôl i'r Ganrif Gyntaf. Pam ydych chi'n meddwl fod gan y Rhufeiniad anheddlle yma? Golygai hyn y gallent warchod ac amddiffyn man croesi pwysig dros Afon Conwy a gysylltai'r ffordd o Gaer i Gaernarfon.

Plas Caerhun - Allwch chi weld y plas yng nghanol y coed? Adeiladwyd y Plas ym 1895 ar gyfer y Cadfridog Gough. Bryd hynny, nid yn unig roedd pobl yn adeilau tai ethiriadol o fawr i ddangos eu statws, ond hefyd roeddent yn plannu coed a phlanhigion egsotig o dramor yn eu gerddi nifer ohonynt i'w gweld eu gweld o gwmpas Plas Caerhun heddiw. Mae'r Plas bellach yn goleg cyrifeg.

Caer Rhun Hall - Can you see the hall in amongst the trees? The Hall was built in 1895 for General Gough. At this time not only did people build extravagant houses to show their status, they also planted exotic trees and plants from abroad in their gardens, many of which you can see around Caerhun Hall. The Hall is now an accountancy college.
