

Conwy County Borough Council Local Employee Pay Scales 2020/21 which reflect the amendments to our pay and grading structure that were necessary to implement the “single year” pay deal that was agreed between the national employers and trade unions. With the exception of staff earning £24,000 or less these pay rates will not be amended during 2021/22 unless there is an unexpected national cost of living increase agreed at national level between local government employers and the trade unions.

2020/21 pay scales have therefore remained the same for 2021/2022
