Strategic Director & Chief Officer Pay Scales 2022/23.

The scale below reflects the amendments to our pay and grading structure that were necessary to implement the "single year" pay deal that was agreed at national level between the National Employers and Trade Unions for Chief officers regarding a 'single year' pay award effective from 1st April 2022. These pay rates will be amended during 2023/24 when a national pay award effective from 1st April 2023 has been agreed at a national level between the national employers and trade unions. There will be no further amendments unless there is an unexpected national cost of living increase agreed between local government employers and the trade unions.
