How your Council Tax is calculated

The Council Tax you pay depends on the valuation your property. Your property will have been allocated a band based on the value of your house as at 1 April 2003.

Not all Council Tax collected pays for council services, it also supports **North Wales Police & Crime Commissioner** and individual Town and Community Councils.

If your property falls within another property band other than Band D the information at the right of the table will help you calculate how much you will pay. Alternatively look at your council tax bill. The Tax Base is the estimated income that will be received for each £1 of Council Tax. It is expressed as a "Band D equivalent" and takes into account the number of properties within each band, in each community area.

If your property falls within another property band other than Band D the information at the right will help you calculate how much you will pay. Alternatively look at your council tax bill. The Tax Base is the estimated income that will be received for each £1 of Council Tax. It is expressed as a "Band D equivalent" and takes into account the number of properties within each band, in each community area.

- A 6/9ths of the Band D Charge in your Community
- **B** 7/9ths of the Band D Charge in your Community
- C 8/9ths of the Band D Charge in your Community
- **D** The charge for your community in the table
- **E** 11/9ths of the Band D Charge in your Community
- **F** 13/9ths of the Band D Charge in your Community
- **G** 15/9ths of the Band D Charge in your
 - Community
- H Twice the Band D Charge in your Community
- I 21/9ths of the Band D Charge in your Community
