Dear Resident

Permanent CCTV Camera – Proposed Location is on Marine Crescent, Deganwy.

We are writing to inform you that Conwy County Borough Council are considering the installation of a Public Space CCTV Camera at a location near you as shown below;

Figure 1; Google image with proposed location

Figure 2; Actual privacy zone on a current camera view

The installation of this camera is being funded by the Harbour Master Office to monitor the Jetty area at Conwy Morfa for the purpose of Public Safety and Crime Prevention. The camera will have the ability to pan so it may also monitor the prom area at Deganwy if required.

As your home falls within the area of proposed camera we are giving you the opportunity to feed in your views please. We wish to reassure you that any windows of property directly adjacent to a CCTV camera will be screened by using privacy zones (black squares as in example above) making it impossible for any operator to breach your privacy. [Conwy County Borough Council Full Privacy Notice](#)

If you wish to comment in response to this consultation, please contact the Conwy CCTV Manager using the contact at the top of this letter.
