

We asked...

pupils in Ysgol Babanod Glan y Mor & Ysgol Iau Pendorlan for their opinion and questions on the proposal to join the 2 schools.

You said...

What would join the 2 schools together?

Would the school council be able to decide on a new school name & uniform?

When would the 2 schools join together?

Would there still be enough equipment for the younger children?

We would like shelters on the playground for the winter

We asked...

lots of different people & groups for their opinion. A notice was also put in the local paper and a document sent out.

Around 15 people came to a meeting to tell us what they thought about joining the 2 schools together.

They said...

**We had 11 letters
& response forms,
all were in support
of joining the 2
schools.**

**Wanted to make sure that the colours of the new part of
the school would fit in with the 2 current schools & the
surrounding area.**

What we will do next...

We will consider views of parents, teachers and other members of the community

We will put together the opinions of the children and look at what they have said

A decision will then be made on whether to join together Ysgol Babanod Glan y Mor & Ysgol Iau Pendorlan.
