## Welsh Government – Schools defined according to Welsh medium provision, **SECONDARY** school

Category	Curriculum	Language of the school	Outcomes	Schools
<b>Welsh-Medium Secondary School:</b> <b>Category 1</b>	<p>All subjects (including RE and PSE) apart from English are taught through the medium of Welsh to all pupils, although some schools may introduce English terminology in one or two subjects.</p>	<p>Welsh is the day to day language of the school. Welsh is used as the language of communication with the pupils and for the school's administration. The school communicates with parents in both languages.</p>	<p>For all pupils the normal expectation is that assessment at KS3 and KS4 will be through the medium of Welsh in all subjects apart from English or other languages, and that pupils will be able to progress easily to Welsh medium Post 16 provision. All pupils will be assessed in Welsh 1<sup>st</sup> language, except the English assessment.</p>	<p>Ysgol Y Creuddyn</p>
<b>Bilingual Secondary School:</b> <b>Category 2</b>	<p>This category has 4 sub-divisions according to the percentage of subjects taught through the medium of Welsh and whether there is parallel provision in English. The categories and definitions do not reflect the number of proportion of pupils taking advantage of provision in Welsh in a school. Governing Bodies will be expected to provide information in the school prospectus on the extent to which choice of provision is available and whether access to Welsh medium provision is conditional on the level of competence the pupil has in Welsh. The prospectus should also indicate the number of pupils taking up choices of provision.</p> <p><b>CATEGORY 2A</b> - At least 80% of subjects apart from English and Welsh are taught only through the medium of Welsh to all pupils. One or two subject are taught to some pupils in English or in both languages.</p> <p><b>CATEGORY 2B</b> – At least 80% of subjects (excluding Welsh and English) are taught through the medium of Welsh but are also taught through the medium on English.</p> <p><b>CATEGORY 2C</b> - 50 – 79% of subjects (excluding Welsh and English) are taught through the medium of Welsh but are also taught through the medium of English.</p> <p><b>CATEGORY 2CH</b> - All subject, except Welsh and English taught to all pupils using both languages.</p>	<p>The day to day language or languages of the school will be determined by its linguistic context. Both languages are used to communicate with pupils and for the school's administration. A high priority is given to creating a Welsh ethos. The school communicates with parents in both languages.</p>	<p>For pupils in 2A, 2B and 2C following the maximum number of courses through the medium of Welsh, the normal expectation is that assessment at KS3 and KS4 would be through the medium of Welsh in those subjects and that they would be able to progress easily to Post 16 provision through the medium of Welsh in chosen subjects. For pupils in Category 2Ch the normal expectation is that assessment at KS3 and KS4 would be through the medium of Welsh in all subjects except English and that they would normally be able to progress easily to study at Post 16 through the medium of Welsh in chosen subjects.</p> <p>All pupils will be assessed in Welsh 1<sup>st</sup> language, except the English assessment.</p> <p>All pupils in the second language stream will be assessed in English but their Welsh assessment will be Welsh second language.</p>	<p>Ysgol Dyffryn Conwy</p>
<b>Predominantly English medium secondary school with significant use of Welsh:</b> <b>Category 3</b>	<p>Both languages are used in teaching with 20 – 49% of subjects taught through the medium of Welsh. All subjects would normally also be taught through the medium of English.</p>	<p>The day to day language or languages of the school will be determined by its linguistic context. Both languages are used for communication with the pupils and for the school's administration. A high priority is given to creating a Welsh ethos. The school communicates with parents either in both languages or in English.</p>	<p>The normal expectation is that pupils choosing Welsh medium options could be assessed through the medium of Welsh in those subjects at all levels and may be capable of progressing to study at Post 16 through the medium of Welsh for those subjects.</p> <p>All pupils will be assessed in English but their Welsh assessment will be Welsh second language.</p>	
<b>Predominantly English Medium secondary school:</b> <b>Category 4</b>	<p>Pupils are mainly taught through the medium of English. Welsh is taught as a second language up to KS4. One or two subjects (which would include Welsh first language) may be taught as an option through the medium of Welsh or using both languages.</p>	<p>English is the day to day language of the school but some Welsh is also used as a language of communication with the pupils, with the aim of improving their capacity to use every day Welsh. The school communicates with parents either in English or in both languages.</p>	<p>The normal expectation is that any pupils choosing Welsh medium options could be assessed through the medium of Welsh in those subjects at all levels and may be capable of progression to study at Post 16 through the medium of Welsh for those subjects. Most pupils would be assessed in English in most subjects and would progress to English medium Post 16 study.</p> <p>All pupils will be assessed in English but their Welsh assessment will be Welsh second language.</p>	<p>Ysgol Aberconwy                      Ysgol Bryn Elian                      Ysgol Eirias                      Ysgol Emrys ap Iwan                      Ysgol John Bright</p>
