

Conwy Primary Schools Modernisation

Caerhun & Trefriw New Area School

April 2019

‘YSGOL DYFFRYN YR ENFYS’

NEW AREA SCHOOL NEARS COMPLETION

The Temporary Governing Body have been busy liaising with a local design company – View Creative – in putting together a new school logo. View Creative initially held a session with the pupils gaining ideas of what they wanted to see as the new school logo. Once completed, the finished logo can be seen on the Ysgol Dyffryn yr Enfys facebook page.

Next steps will see us ordering new 21st century IT equipment for the pupils and staff of Dyffryn yr Enfys, classroom furniture, and internal decoration completion.

Work on-site is continuing well. All the kitchen equipment and the roller shutters, along with the Hall timber floor have been installed. As the above picture shows, corridor and class flooring is ongoing. The soft play area and MUGA surfacing is 70% complete. Some of the outdoor equipment has already been fitted.

To view monthly construction progress images of the works at Ysgol Dyffryn yr Enfys including newsletters and statutory documents, please visit:
