What is a bond scheme?

The Conwy & Denbighshire Bond Scheme, aims to help people who are homeless or at risk of being homeless to secure private sector accommodation via a deposit guarantee in place of a cash deposit payment to a private landlord. Not all landlords accept the bond, so you will need to check with them first. The bond is normally given for twelve months; to give you more time to raise the deposit yourself (see ideas for this below, e.g. credit union, charity organizations).

Please note: By law, all landlords in Wales must register with Rent Smart Wales, and if they manage their own properties they must also have a licence from Rent Smart Wales. The registration and licensing scheme has been introduced by the Welsh Government to help ensure good standards of management for private rented properties. You should ask the landlord if they are licenced when viewing a property.

If a landlord is NOT registered no funding can be released.

You can verify if the landlord is licensed, or the property you wish to rent is listed and the landlord is registered, via an on-line check on the website: www.rentsmart.gov.wales
