What is Housing Support Grant?

Housing Support Grant is a Welsh Government programme which provides housing related support services to vulnerable people over the age of 16. It enables them to live independently in the community and avoid the risk of becoming homeless.

What is Housing Related Support?

Housing related support is provided to help vulnerable people develop or maintain the skills and confidence necessary to live as independently as possible. Housing related support can include help and advice with:

- Developing life and domestic skills
- Budgeting & managing money
- Accessing other services and opportunities
- Establishing safety and security

How to Apply?

Provision of housing related support services will be based on identified or assessed needs.

Referrals are made direct to the services or via the Single Pathway at SPPathway@conwy.gov.uk

You can:

- Complete a referral form yourself and return to the Single Pathway or contact the Providers directly
- Ask an agency or voluntary organisation that is helping you at the moment to complete a referral on your behalf to Single Pathway, or contact the Providers directly
- Ask your social worker or Health professional to complete a referral on your behalf to Single Pathway, or contact the Providers directly
- Ask a member of your family or a friend to complete a referral on your behalf to Single Pathway, or contact the Providers directly

How to find out more
