LLANDDOGED

Cyflwyniad

Mae Eglwys Doged Sant yn eglwys gyda chorff dwbl o ddiwedd yr oesoedd canol, wedi'i lleoli'n amlwg yng nghanol y pentref mewn mynwent siâp cylch. Awgryma hyn ei fod yn safle Celtaidd.

Introduction

The Church of St. Doged is a late Medieval double-naved church. It is located within a circular churchyard in the middle of the village. This suggests that it is Celtic.

Ar y daith hon a wnewch chi sylwi

Efallai bydd gwartheg a defaid yn pori mewn ambell i gae.

For this walk please note
