CONCESSIONS

<u>Exemptions From Payment</u>
- For alterations, extensions, etc. to a dwelling house for the benefit of a registered disabled person.
- An application solely for the carrying out of the operations for the purpose of providing a means of access for disabled persons to or within a building or premises to which members of the public are admitted.
- Listed Building Consent.
- Conservation Area Consent.
- Works to Trees covered by a Tree Preservation Order or in a Conservation Area.
- Hedgerow Removal.
- If the proposal relates to works that require planning permission only by virtue of an Article 4 Direction of the Town & Country Planning (General Permitted Development) Order 1995., i.e. where the application is required only because of a direction or planning condition removing permitted development rights.
- If the application is for a lawful development certificate, for existing use, where an application for planning permission for the same development would be exempt from the need to pay a planning fee under any other planning fee regulation.
- If the application is for consent to display an advertisement following either a withdrawal of an earlier application (before notice of decision was issued) or where the application is made following refusal of consent for display of an advertisement, and where the application is made by or on behalf of the same person.
- If the application is for consent to display an advertisement which results from a direction under Regulation 7 of the Control of Advertisements Regulations 1992, dis-applying deemed consent under Regulation 6 to the advertisement in question.

- If the application is for alternate proposals for the same site by the same applicant, in order to benefit from the permitted development right in Schedule 2 Part 3 Class E of the Town and Country Planning (General Permitted Development) Order 1995.
- If the proposal is the first revision of an application for development of the same character or description on the same site by the same applicant within 12 months of making the earlier application if withdrawn, or the date of decision if refused and NOT a duplicate application made by the same applicant within 28 days except where the application is to regularise works undertaken in breach of conditions; to regularise variation from the approved plan; to amend plans in advance of a start of work on approved applications or except where an application is made pursuant to Section 73 (variation / removal of condition) following the refusal / partial refusal or where the local planning authority have not given notice of their decision of an earlier application under Section 96A(4) (non-material amendment).

Reductions To Payments

- If the application is being made on behalf of a non-profit making sports club for works for playing fields not involving buildings then the fee is £460.
- If the application is being made on behalf of a parish or community council then the fee is 50%.
- If the application is an alternative proposal being submitted on the same site by the same applicant on the same day, where this application is of lesser cost then the fee is 50%.
- In respect of reserved matters you must pay a sum equal to or greater than what would be payable at current rates for approval of all the reserved matters. If this amount has already been paid then the fee is £460.
- If the application is for a Lawful Development Certificate for a Proposed use or development, then the fee is 50%.
- If two or more applications are submitted for different proposals on the same day and relating to the same site then you must pay the fee for the highest fee plus half sum of the others.
- Where an application relates to development which is within more than one fee category, the correct fee is simply the highest of the fees payable.
- Where an application consists of the erection of dwellings and the erection of other types of buildings the fees are added together.
- If the application is made pursuant to Section 73 (variation / removal of condition) within 6 months of the date of refusal / partial refusal of an earlier application under Section 96A(4) (non-material amendment) or where the local planning authority have not given notice of their decision of an earlier application under Section 96A(4) and the application relates to development of the same character or description on the same site by the same applicant, the fee payable in respect of the earlier application was paid and the applicant has not already paid a fee under the previous application made pursuant to Section 73 then the fee is £190 for a householder change application and £115 in any other case.

REFUNDS

Refund of Fees in relation to Applications not Determined within specified periods

- In the event that the Local Planning Authority fail to determine an application **within the specified period and if an extension of time has not been agreed** (set out below – (a) and (b)) a refund will be payable to the applicant (subject to conditions where this does not apply – see below). The period after which a refund is payable starts on the expiry of the period for the giving of notice of a decision (statutory expiry period) as set out below:
 - where an application for planning permission relates to a category of development which falls within Category 6 or 7, after 8 weeks from the expiry of the period for the giving of notice of a decision;
 - in any other case, after 16 weeks from the expiry of the period for the giving of notice of a decision.
- A refund does not apply if:
 - the Welsh Ministers give a direction under Section 77 of the 1990 Act in relation to the application before the periods specified above have expired;
 - the applicant has appealed to the Welsh Ministers under Section 78(2) of the 1990 Act before the periods specified above have expired;
 - any person who is aggrieved by any decision of the Local Planning Authority in relation to the application has made an application to the High Court before the periods specified above have expired.
