Single Use Van Permit for Household Waste Recycling Centres

Do I need a Single Use Van Permit?

If you own a van or commercial-type vehicle and wish to use this vehicle to dispose of domestic waste (waste from your own household) at our Recycling Centres, you will need a Van Permit.

Our Recycling Centres accept domestic waste only from Conwy residents. The Van Permit shows that you live in Conwy and are not a business seeking to dispose of commercial waste.

Owners of private vans without sign-writing can apply for a Domestic Van Permit. If you wish to use a hired, borrowed or works van to dispose of domestic waste, you will need a Single Use Van permit.

Am I eligible for a Single Use Van Permit?

You will need to provide evidence that the waste comes from a Conwy household by providing a copy of a utility bill or a bank statement.

What can I do if I'm not eligible?

We offer a waste collection service for bulky waste and a range of trade waste collection services. For more details, call 01492 575337 or e-mail erf@conwy.gov.uk.

Alternatively, your waste can be dealt with at a commercial waste disposal site or a commercial waste collection service. See the Yellow Pages under 'Waste Disposal-Commercial.'
