

4 Measuring Spoons

LEARN THROUGH PLAY

Kitchen treasure hunt

You'll need:

- Some paper
- A marker pen
- Some kitchen utensils

Method:

- Draw the outline of the utensils on the paper
- Name them and say how many of these items your child needs to find
- Hide the utensils in your kitchen (don't make it too hard though!)
- Ask your child to find the treasure

LEARN THROUGH PLAY - Kitchen treasure hunt

The benefits of this activity:

- Treasure hunts will help your child practice problem-solving
- It will also teach them new words and sounds
- Joining in helps build your child's confidence

CAUTION:
Supervise your
child in the
kitchen!
