

LEARN THROUGH PLAY

Modelling clay monsters

Encourage your child's creativity by making some monsters from modelling clay/playdough that you can enjoy and play with together.

You'll need:

- Modelling clay/playdough
- Playdough cutter/plastic knife (optional)
- Decorations (optional)

Method:

- Ask your child to use their hands, playdough cutters or a plastic knife to shape the modelling clay/playdough into a monster

LEARN THROUGH PLAY - Modelling clay monsters

Why not?

- Use homemade playdough or mud to make your monsters too?
- Use things your child finds around the house or garden to decorate them?

The benefits of this activity:

- It will encourage your child's creativity and improve their hand eye co-ordination
- Ask your child questions about their monster. This encourages them to use describing words, their imagination and develop their storytelling skills

CAUTION:
Close supervision
is needed with
small parts!
