

LEARN THROUGH PLAY

Noughts and crosses

- Play this game on the floor using tape, chalk or string to mark out a grid of nine squares
- Use paper or cardboard to make your Xs and Os
- Don't have much space? Just use a paper and pen instead
- One player uses Xs, the other Os
- Place your X or O in an empty square
- The first player to get three of their shapes in a line wins
- This activity will help with your child's co-ordination and motor skills
- It will help teach your child to take turns
